Dear Business Owner:

Enclosed is the application/renewal form for the City of Manassas Park Business, Professional and Occupational License. Current licenses expired on **December 31, 2009**.

**If you are no longer in business in Manassas Park, please notify the Commissioner of the Revenue's office, in writing, stating the name of the business and the date you ceased to do business in Manassas Park.**

Please report your gross receipts for the 2009 tax year, if you were in business for a full year. If you do not have the exact figure, please provide an estimate. If you started your business in 2009, please estimate the amount of gross receipts you expect to make in 2010. Adjustments will be made once you provide a copy of your income tax return. (If you have not already submitted your 2008 tax return, please do so at this time to prevent delays in processing)

Your **application must be filed by February 1, 2010**, to avoid paying a late filing penalty. (The application must be submitted regardless of whether or not you have all the information required.)

Payments must be made by **March 1, 2010**, to avoid a late payment penalty. (§ 14-24 (a) of the Manassas Park City Code)

**Contractors** must provide a list of gross receipts filed with other jurisdictions for the current year. A copy of your paid licenses to other jurisdictions must be provided, **upon completion**, for auditing purposes. If you have not provided copies of these licenses for last year, you must do so or there may be an additional adjustment to your bill.

**Contractors** must provide a copy of the "Contractors Certification of Insuring Liability for Workers' Compensation in Virginia".

**Contractors outside of Manassas Park** must notify this office if there are any adjustments to be made on last years license. If you have any new jobs in the City of Manassas Park for the current year, please list the job amount and location.

It is important to list vending & amusement machine owners, in the space provided on the back of the application, in order to avoid your company being billed for their licenses or personal property.
