

INTRODUCTION

Hello, and welcome to the Commonwealth of Virginia's newest city! We are glad you have chosen to make the City of Manassas Park your home.

When Manassas Park was established the community selected for its motto, "Salus Populi Suprema Lex," which means, "The Welfare of the People is our Supreme Law." Today we continue to strive to be truly responsive to the needs and concerns of all our citizens and the business community.

It is our hope that this handbook will acquaint you with the many programs, resources and services available to residents. On behalf of the governing body, city staff, and citizens, we invite you to become actively involved in the community and your local government. Although key information has been included in this publication, the most current information about city services and programs can be found on the city's web site at www.cityofmanassaspark.us.

Please feel free to contact me, any member of the governing body, or the city staff and share your ideas or concerns with us. We look forward to serving you.

Sincerely,

Frank Jones
Mayor
