Re: Board of Equalization

On Monday, June 13, 2011, Mark Brill notified the City that he is relocating to Arlington County and must resign from the Board.

John Fraber, Chairman of Board of Equalization, recommended that David Rhodes be considered for appointment to the unexpired term of Mark Brill (June 30, 2012).

By e-mail, David Rhodes has stated that he is interested in being considered for appointment.

This is a Circuit Court appointment. The Board would like to have David Rhodes recommended for appointment so that he can qualify and be part of the 2011 Board.
